TO WHOM IT MAY CONCERN:

PGA WEST had the pleasure of hosting a grand opening dinner dance for our members on Saturday, November 13, 1999. We chose a theme of "A Taste of New Orleans" to introduce the season with an upbeat party flair. For this illustrious occasion, we had the privilege of hiring Custom Catering from New Orleans who selected an incredible menu and prepared a fabulous, authentic dinner.

It was our experience that the team of Chef Emile Steiffel and his assistant, Mark, did an outstanding job in producing an exceptional meal for us. From the time they arrived on our premises until the time they departed, their presence was both professional and enjoyable. Their enthusiasm and talent for what they do was truly genuine. We served approximately 300 people for this particular evening and received great praise from our members for the dinner and event.

Without reservation, we would be pleased to recommend to anyone the services of Custom Catering. We're confident you will also be met with a company who is both a joy to work with and excellent at what they do.

Sincerely,

Linda Menne  
Director of Member Services
