Dear Emile:

Thank you so much for your sponsorship of the **Children's** Miracle Network Telethon benefitting **Children's** Hospital.

Your appearance and food preparation will occur between **6:40-7:00** a.m. Sunday, June 6. Please arrive at the WDSU studio's garage street entrance, 535 Chartres, **30-** minutes before your interview.

The most convenient parking is at the lot directly across the street, or in the Royal Orleans garage next door. But, if you prefer, the hospital has arranged for telethon guests to have complimentary parking at 601 Tchoupitoulas Street on the 5th floor, between Girod and Poydras, with round-the-clock shuttle service to WDSU and round-the-clock security. Please use the enclosed parking pass at this lot.

When you get to WDSU, volunteers will greet you and escort you to the VIP waiting area. A few minutes before your interview you will be escorted onto the set.

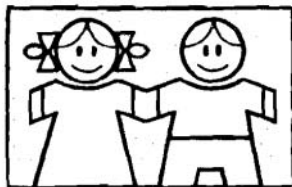

If you have any questions about the information discussed here, about the telethon in general, or if you will not be able to join us, please contact me at 896-9373.

Thank you again for helping to make this **year's** telethon a success.

Sincerely,

Cathleen Randon

Dear Emile:

Children's Hospital is fortunate to have many businesses which are good friends to the hospital. Custom Catering, Inc. has definitely been one of our good friends. Last year, as in years past, you most graciously donated the herbal chicken and pasta dish which was enjoyed by our many volunteers. As we prepare for our 10th annual Children's Miracle Network Telethon, we hope that we can continue to count on your generosity.

This year the telethon will take place on June 5th and June 6th on 6 WDSU, airing at 8:00 pm and running until 5:30 pm. Over this 21 1/2 hour period, volunteers work up an appetite and count on us to feed them around the clock. Any food or beverage donation that you can offer would be greatly appreciated.

Each of these donors will be listed among our valued contributors in the hospital magazine, Small World, which reaches over 13,000 community members and businesses. We will also place sign in front of the item(s) you have donated so that the hundreds of volunteers and WDSU staff members know where the terrific donation came from.

We hope we can count on your continued support. We will be calling you in several weeks to talk about the possibility of once again having your assistance in feeding our many hungry volunteers. If you have any questions please call us at 896-9487 or 896-9346. We look forward to speaking with you soon.

Sincerely,
