Dear Emile:

On behalf of the abused, neglected, and homeless animals we house on Thayer Street, we thank you so much for your very generous contribution to our Dog Day Afternoon annual fundraiser, held March 25, 2007. **The Red Beans and Rice were awesome!** We realize it was not an easy event for you this year, and we appreciate you going above and beyond.

As you know, Dog Day Afternoon is one of our two major fundraisers each year. The proceeds generated from these events help sustain the programs and services we offer the Greater New Orleans community; programs and services that help people as well as animals.

You are the reason we can continue to offer education concerning pet overpopulation, the human/animal bond, and so much more, to schools, neighborhoods and individuals. You are the reason we are able to offer medical care, quality food and companionship to the thousands passing through our doors each year. Our passion is to increase the quality-of-life of the animals of Louisiana and to end the suffering and loneliness we come in contact with daily. You are very much a part of that.

As we prepare to move into our new facility located at 1700 Mardi Gras Blvd., we find great encouragement from those in our community that are as concerned with the well-being of companion animals, as we are. We are very appreciative of friends like you who support our work and the good we are able to do throughout the New Orleans community, and beyond.

Thanks again for making a difference in the lives of the dogs, cats, birds, horses, pigs and many others we care for. They send their heartfelt thanks for your participation and support!

Howls and meows,
