Dear Emile:

On behalf of the LA/SPCA staff, volunteers and the animals in our care, thank you for your generous contribution to Dog Day Afternoon 2004. Dog Day was phenomenal! The weather was perfect and the crowd was the largest we have ever had. This year, we added several new aspects to our event, including dog agility demonstrations, Canine Good Citizen testing and a very popular game, a dunking booth we called the Flea Dip, The event is growing and your support is very much a part of that growth.

We really appreciate all you have done for us. Our organization would lose its effectiveness if it weren't for friends like you, who support our work and the good we are able to do for animals throughout the New Orleans community. We are working hard to decrease the numbers of companion animals finding themselves unwanted and unloved. Through the program and services we offer, which events like Dog Day Afternoon support, our hope is to one day no longer need an organization such as ours. Some would say that is a pipe dream, but it is our dream none-the-less. With your help - our dream could very well become a reality.

Your participation in Dog Day Afternoon assisted us in raising over \$48,000. For that, we are extremely grateful. Meows and Howls to Aurora Catering Inc.!

With respect,
