Dear Emile:

On behalf of the homeless, abused and neglected animals on Thayer Street, we thank you for your very generous donation of Red Beans and Rice to our Dog Day Afternoon annual fundraiser, March 26, 2006. Dog Day exceeded our expectations and was a huge success. Sponsorship money is still coming in so we don't know the final totals. However, proceeds are in excess of \$50,000. The pets in our care send their heartfelt thanks for your continued participation and support.

The money raised from Dog Day will help us provide care and find loving homes for the many displaced cats and dogs we house daily. As we rebuild our shelter and the many important programs and services disrupted by Katrina, we take great encouragement from those in our community that are concerned with the well-being of companion animals. We are very appreciative of friends like you who continue to support our work and the good we are able to do throughout the New Orleans community.

Thanks again for making a difference in the lives of neglected pets we care for.

The Judge Dude comment is because Shelly asks me to be the Judge of the dog contest when I can actually make the event.

Sincerely,

Shelly Patton
