Dear Mr. Steiffel:

I would like to personally thank you for your support by donating Chicken & Sausage Jambalya to our 2007 GolfStar Classic. This year we had another very successful tournament raising nearly \$90,000.00 for our Adoption and Maternity Program.

Your contribution makes a real difference in our community. Adoptive families and birth mothers depend on us and your involvement is extremely important to them. Because of your commitment, women, babies, and couples will continue to receive the care and support that they need through our adoption program. Our Adoption and Maternity Program receives 100% of its revenue from public support, program fees, and United Way, so your contribution is extremely important to the success and growth of our program.

If you would like more information about this program or other vital Volunteers of America programs, please call us at (504) 482-2130 - or visit our recently updated website at www.voagno.org.

Thank you again for joining us in our mission to build happy, healthy families. All of us at Volunteers of America embrace our community's rebuilding one person, one life at a time – and we couldn't do it without you!

Sincerely,

James M. LeBlanc
President/CEO
