Dear Mr. Steiffel:

I would like to personally thank you and Aurora Catering for your support by donating Herb Pasta Chicken to our 2010 GolfStar Classic.

Volunteers of America
of Greater New Orleans
is accredited by CARF

This year we had another very successful tournament raising more than \$95,000 for our Adoption Program. Your delicious contribution made the event a memorable and unique fundraiser for those in attendance. It helped us ensure that golfers will return again next year to support our Adoption Program. Our Adoption Program receives 100% of its revenue from public support and program fees so your contribution is extremely important to the success and growth of our program.

If you would like more information about this or other vital Volunteers of America programs, please visit our website at www.voagno.org,

Thank you again for joining us in our mission to build happy, healthy families. All of us at Volunteers of America embrace our community's rebuilding one person, one family at a time – and we couldn't do it without you!

Sincerely,

James M. LeBlanc
