Dear Emile:

On behalf of the Louisiana SPCA and the animals in our care, thank you for your very generous contribution to our 2006 Howling Success fundraiser, "Tails of the Stage and Silver Screen," held November 3rd at Generations Hall. The event was a tremendous success. We surpassed our rather ambitious goal of \$225,000 by approximately \$7000! The pets in our care send their heartfelt wags and purrs for your support of this effort. The proceeds will go a long way in caring for the homeless, neglected and abused animals housed in our temporary shelter on Thayer Street. For a glimpse of a very few of the animals your donation assisted, please see www.la-spca.org/adoptions/adoptions.htm.

We are extremely grateful for friends like you who continue to support our work of investigating cruelty and dogfighting cases, finding new homes for the homeless, rescuing animals from harm, teaching children the importance of caring for animals, feeding quality food, and so much more. As we continue to rebuild along with our fellow New Orleanians, with all its frustrations and joys, we will not lose sight of why we are here and the mission we have committed ourselves to. Our voice for the animals is strong because of you giving it strength.

Thanks again for making a huge difference you made in the success of this most important fundraiser, and in the lives of the animals we serve.

*You are the BEST!
😊*

Sincerely,

Shelly Patton
