Dear Emile:

On behalf of the people and animals of the Louisiana SPCA, we extend a warm and heartfelt thanks for your participation at the 18th Howling Success Patron Party.

We know that you receive numerous requests for donations for non-profit organizations and we deeply appreciate **your** decision to support our cause by donating the delicious gumbo. This year was one of our most successful and we couldn't have succeeded without your support; you **are** one of our very special friends.

Your generosity is very **much** appreciated and enables us in our continued endeavors to provide quality care and compassion to the animals in our shelter and to educate the public of their plight.

Thank you again and we look forward to seeing you again next year.

Sincerely,

Dianne Leres
