

Thanks for  
a great  
2009!

**THE 2009 HOWLING SUCCESS**  
**Thanks you for your participation in**  
**"Hooray for Howlywood"**

Dear Emile & Aurora Catering Team,

On behalf of all of our two and four-legged friends at the LA/SPCA, we want to thank you for your incredible participation in the 2009 Howling Success. It is our most important annual fundraiser, and all of the funds go towards operating our programs and state-of-the-art shelter.

The event was fantastic, and we are excited to announce that despite the tough economy, we had record crowds and totals, thanks to generous animal lovers like all of you! Our guests continue to support those businesses that partner with us, so your listing will stay on our website until next year's Howling Success.

We know it is difficult to send a team out and that it takes a lot of your time to participate, but please know that your involvement is greatly appreciated. We hope your business was able to use the complimentary tickets that evening and that you all enjoyed yourselves. ***As an additional thank you, please be our guest at "Dog Day Afternoon" held annually at City Park. The date is March 21, 2010. If you can attend, we will add you to our VIP tent for the day so that you can sit back and just enjoy the festivities.***

On behalf of the thousands of abused, neglected, and homeless animals we rescue every year, we thank you for "unleashing your heart." We hope you will consider participating with us next year.

Happy Holidays to you and your entire team.

Best,

Dean Howard  
LA/SPCA Development Director

*Chartered in 1888, the LA/SPCA is the oldest and most comprehensive animal welfare organization in the state and one of the oldest in the country, providing care and basic medical services for up to 11,000 animals each year. The mission of the LA/SPCA is to advocate for the animals of Louisiana by advancing their welfare, promoting their interests, and fostering the human-animal bond through innovative programs, education, and service. The LA/SPCA is a private, independent, 501 c3 non-profit organization that serves the State of Louisiana. Although headquartered in New Orleans, many of our services, including advocacy, legislative work, humane education, and cruelty investigations, are conducted throughout Louisiana.*
