Dear Chef Stieffel:

Many thanks to Aurora Country Club Catering for participating as a featured caterer at the Preservation Resource Center's *Julia Jump 24!* on Friday, April 6, 2001. This year's Jump was a huge success with over 800 people in attendance. The combination of vendors at this year's Jump was wonderful and we received many compliments on the variety and quality of food provided.

PRC's mission remains to promote the preservation of New Orleans' historic architecture and neighborhoods. We appreciate your support as we continue striving to meet our mission with worthwhile programs such as African American Heritage Preservation, Christmas In October, Operation Comeback, and *Preservation in Print*.

Please do not hesitate to call me with any questions concerning your donation. **We are always striving to improve our events through feedback from our participants. If you have any suggestions or recommendations, please take a moment to fill out the enclosed survey and fax back to me at 636-3072.** We hope that you will consider supporting us at next year's Julia Jump and will contact you this summer with the scheduled date.

Sincerely,

Barbara Fitz-Hugh
