Dear Mr. Stieffel,

Many many thanks for contributing to the Preservation Resource Center's Julia Jump XVII. Your generous donation helped make this year's Jump a huge success. Because of your support such programs as Christmas In October, Operation Comeback, and Live In A Landmark can continue to help preserve our neighborhoods. The food you provide was superb and your staff was most pleasant and professional. Working with you was truly a pleasure.

Once again thank you for generosity and for supporting the Preservation Resource Center. We sincerely appreciate your participation.

Sincerely,

Aimée Favrot Bell
