Dear Mr. Stieffel,

We wish to express our appreciation for your donation of Herbal Chicken Pasta. Your generosity serves as a splendid example of how people working together can create a real "Home," a loving Home for our Senior Citizens, a Home with a heart.

Our sixth annual Garden Gala celebration on May 9 was very enjoyable for all of our friends. The weather was beautiful, many restaurants supplied delicious food, the fashion show was elegant, and the grand finale by the Algiers Brass Band was a fitting closing to a wonderful evening with our many friends who are committed to the care of the elderly.

This month we celebrate National Nursing Home Week. Our residents are looking forward to many special events, the biggest of these being a "crabbing trip." The week will end with our May Crowning on May 17 in our Chapel as we give special honor to Mary, our Heavenly Mother.

May God bless you and those dear to you. Our grateful prayers are with you each day.

Sincerely,

Sister Christine, I.S.P.
