Emile Stieffle
Aurora Catering
5244 General Meyer
New Orleans, LA 70058

Dear Emile:

Thank you for your donation of food for our event "Spotlight on Success" which you valued at \$1,600. Your generous support of the March of Dimes has:

Helped 3.3 million uninsured children get health insurance.

- Enabled more women to receive prenatal care.
- Helped educate pregnant women about the benefits of taking folic acid which may help spare their unborn babies from neural tube birth defects.

In short, hundreds of thousands of babies have been saved from low birthweight, birth defects, and even untimely death because people like you cared enough to give to the March of Dimes.

Each time you read that our nation's infant mortality rate is at an all-time low or that groundbreaking research is helping women deliver healthier babies, I hope you give yourself a pat on the back. Because gifts like yours help the March of Dimes make these and other vital advances possible.

Your ongoing support will help fund lifesaving programs that educate, advocate and investigate – all in an effort to save America's babies from prematurity, birth defects and other threats to their health.

On behalf of our nation's babies, their loving parents, I thank you for your support

Best regards,

Pam Cooper
Division Director
New Orleans Division March of Dimes
