Dear Emile,

As always, it was a pleasure to know that our event was in your more than capable and gifted hands! The Recruitment Luncheon that you catered for us last month was a wonderful success! We had hoped to have more guests present for the luncheon, but the ones who did attend are all on board in 1997 for WalkAmerica by having a team and/or becoming a corporate sponsor.

Everyone raved over the pasta dish that you prepared and it was wonderful of you to let us take home the leftover fruit compote. It was DELICIOUS!!

We also have to thank you for working with us on the price. You were able to offer us an elegant luncheon for a very select group of individuals at a minimal cost to the March of Dimes and we certainly appreciated it! Your flexibility will enable us to put more dollars towards our mission of improving the health of babies by preventing birth defects and infant mortality through programs of community services, advocacy, research and education.

You're always my first choice and I'll look forward to working with you again soon!

For healthier babies,

Wendy Dickson  
WalkAmerica Director
