Dear Misfits,

Thank you for thinking of the Mission after your concert on Saturday, June 15th. The jambalaya that was brought over on provided a very nice addition to our meals and a welcome relief to our always straining food budget.

This year the Mission will serve over 100,000 meals to the hungry, homeless populations of New Orleans.

We could not hope to meet the needs of so many homeless people without the generosity and concern of people such as yourself.

May God bless you in all of your endeavors.

In His service,

Rev. W. McFall (Mac) Thornton
Executive Director
