Dear Emile:

The 2009 Children's Telethon was once again a HUGE success and this success is because of people like YOU!!!

We went off the air with over one million dollars which stays in New Orleans to help the children of our community and the entire Gulf South Region. We could never have accomplished this feat without your help.

Thank you so much for your donation during the Telethon. We had over 500 volunteers working the telethon this year and your generous donation kept them happy and productive. We couldn't have done it without you!!

This thank you letter is on behalf of the Board of Trustees, the Administration, the staff, the volunteers, and especially the thousands of patients who are served by the hospital.

Once again, thanks for your support of Children's Hospital. Kathy and I hope to get the chance to thank you in person at our thank you party later this month. Please look for the invitation and come out and celebrate with us.

Sincerely,

Kris Shaw
