Dear Chef Emile:

On behalf of the Louisiana Breast Cancer Task Force I would like to thank you and Custom Catering for your donation of the excellent jambalaya toward our fourth annual race/walk, the Conquer Breast Cancer 5K, held this past May 18, 1997, at Audubon Park.

As this event is our largest fund raiser of the year, we shared in a great opportunity to reach and educate a wide sector of people. In this way we can raise the funds needed for local breast cancer research, programs, or projects and to provide information on breast health care and options in our community.

Again, thank you for your support.

Sincerely,

A handwritten signature in cursive script that reads "Melody L. Carney".
