Dear Chef Stieffel:

Thank you for your generous contribution to the Legislator's Charity Fund fundraiser benefiting Children's Hospital. It was a definite success and for the second year in a row we will be able to give Children's monies to enhance their assistance to children and families that are treated there.

As you know, our group is formed by several legislators that represent the Greater New Orleans area and that has been touched in some way by the services that Children's Hospital provides; either personally or through a constituent. It is certainly a hospital to be proud of and we are very lucky to have it in our area. Without individuals like you we would not be able to pull this annual fundraiser off and for that I am personally grateful.

We live in a great City and a great State that is filled with giving people that are proud to call it home. Thank you from the bottom of my heart and may you and yours have a wonderful holiday season.

Sincerely,
