Dear Emile:

We are all very happy with the success of the 1992 Rhythm Run. The actual race, and post race party, went perfectly. Thank you for contributing to our now "famous" post race party. The herbed chicken pasta is always a big hit with the runners, as I am sure you know.

The runners were delighted with the race and we anticipate twice as many next year. We hope you will plan on working with us again in 1993. Emile, on behalf of the Commission and the entire NORR committee - Thank you.

Sincerely,

Diamon Walker
